### WHAT IS DOAI?

We are a non-profit social organization with these objectives:

- \* Preserve and perpetuate a spirit of friendship and wholesome fellowship among members.
- \* Provide group representation and support the RV interests of all members.
- \* Disseminate Discovery-related information to members.
- \* Provide opportunities for members to gather together across the country.

### HOW DOES DOAI MEET ITS OBJECTIVES?

- \* We have a national rally each year at varying locations around North America, usually in September or October.
- \* *Camp Discovery*, a regional rally filled with technical seminars, is held each year in Seffner, Fla., usually in late January.
- \* Local chapters across the U.S. and Canada offer camp-outs throughout the year and welcome guests. The local chapters offer Discovery owners more opportunities to enjoy what DOAI has to offer. You can join as many chapters as you wish.
- \* We maintain close relationships with all major manufacturers involved with Discovery motor homes.
- \* Our quarterly electronic newsletter, *Discovery Express*, keeps members informed of past, current, and future activities, and provides important technical help.
- \* We have a super website ([www.discoveryowners.com](http://www.discoveryowners.com)) that provides a broad spectrum of assistance to members, including links to many of the features named in this brochure.
- \* We have an active private DOAI eGroup that connects members via email with current questions and answers, all provided by members. A question by one goes to all, and an answer by one goes to all.
- \* Discovery Friends is a group of Discovery owners who make themselves available to fellow owners. This might be just meeting for coffee, sharing local knowledge of campgrounds or repair shops, knowledge of their coach or systems, and might even extend to helping during breakdowns. Each

Friend decides what to offer. The group is accessible through the DOAI website.

- \* We share our ideas and help one another improve our Discovery experience.
- \* Most of all, we have fun together!
